

FBINAA

62nd National Annual Training Conference

June 27-30, 2026 | Niagara Falls, Ontario, CANADA

Welcome to Niagara Falls!

Enjoy great fun and entertainment during your stay. The Falls have plenty to offer.

The FBINAA Conference and Host Committee are pleased to recommend several events and activities during the Conference. Niagara Falls is famous for its attractions, including the magnificent falls. The Host Committee has worked hard to highlight the best and most entertaining activities during the Conference. The following are the options we recommend, along with the details and registration instructions. These activities are designed to be attended as **a group with other FBINAA attendees** or **on your own**.

Some activities require you to register through the Conference registration portal, while others require you to purchase passes/tickets on an official activity website. June is an extremely busy time in the area; there will be lots of tourists and travelers from around the world. Consider arriving early or extending your stay in Niagara Falls to take advantage of the numerous activities before, during, and after the conference.

Contact the Conference Helpline for assistance: conference@fbinaa.org or 800-941-8840

How to Register for Events & Activities

Registration links and instructions are in the description for each event below. Some events are available when you register for your badge. Others are available once your badge is paid for and you gain access to the Attendee Service Center. Finally, some activities require purchasing from the source provider to participate.

Contact the **Conference Helpline** for assistance: conference@fbinaa.org or 800-941-8840

Schedule of Events and Activities

With so many events and activities in a destination that offers a lot, be aware of potential conflicts with the main conference schedule. Some summary conflicts are included in each event, but there could be others.

Reference the full conference schedule [here](#).

Cancellation Policy

Cancellation requests must be submitted in writing to conference@fbinaa.org. Cancellations must be submitted by **Friday, May 29, 2026**, to be eligible for a refund. After **Friday, May 29, 2026**, refunds are no longer available. No refunds will be granted for no-shows. The cancellation fee for each optional activity or event is 15% of the total ticket price per person.

Family Badge Training Sessions

Saturday, June 27, 11:00 am - 12:00 pm

Niagara Falls Convention Centre

These two training sessions are offered to our Family Badge attendees. There is no cost attend, just the cost of the Family Badge itself. Choose from two important topics below:

- **Option #1 – 11:00 am – 12:00 pm (1 hour)**

- **Financial Resiliency: A Holistic Journey Toward True Financial Resilience**
- **Presented by** - Judy Pollard, Certified Credit Union Financial Counselor and Business Development Manager, Justice Federal Credit Union
- **Session Description** - Before making financial decisions, it's essential to understand what true financial responsibility looks like. That means learning to talk openly about money without shame, recognizing the hidden costs of inaction, and aligning your financial priorities with your unique circumstances. Only then can we build a future that's not just secure—but intentional. When it comes to finances, some people are naturally more resilient, while others learn it over time. You can work to build your resilience and learn to bounce back from adversity in a healthy way. Ultimately, resilience is a skill that can be cultivated and nurtured.

- **Option #2 – 11:00 am – 1:00 pm (2 hours) – 50-person capacity**

- **Be Your Own Defender**
- **Presented by** - William Hansler, Sergeant (Ret), New York Police Department, and James Schramm, Police Officer (Ret), New York Police Department
- **Session Description** - For the first time, private citizens have access to training from Armament Systems and Procedures (ASP) - a legendary provider of defensive tools and training to law enforcement officers and agencies around the world. Be Your Own Defender (BYOD) is the first and only training program of its kind. It was created, refined, and tested over several years by ASP's international law enforcement training team. BYOD teaches key principles of personal safety, with a focus on the use of the ASP Defender® OC (pepper spray) device. ASP developed this class to teach street-proven skills that can help you avoid becoming a victim. This is a mild-to-moderate physical class suitable for people of just about any age and ability.
